**For Immediate Release  
July 8, 2008**

## **SENTEX SYSTEMS LTD. ANNOUNCES NAME CHANGE**

**WINCHESTER, ONTARIO** – Sentex Systems Ltd. (TSX-V:SXS) (“Sentex”) announces that, in accordance with a resolution passed by shareholders at an annual general and special meeting held on May 28, 2008, Sentex has changed its name to Natunola Health Biosciences Inc., effective July 8, 2008. The new Natunola Health Biosciences Inc. shares will trade on the TSX Venture Exchange under the new trading symbol NHI.

Pursuant to the name change, shareholders will exchange Common share certificates of Sentex for Common share certificates of Natunola Health Biosciences Inc. A letter of transmittal will be sent directly to all registered shareholders with instructions regarding the exchange.

Natunola Health Biosciences Inc. and its manufacturing plant are located in Winchester, Ontario. It is the parent company of Natunola Health Inc.

Natunola Health Inc. is a manufacturer and researcher in the field of flax seed derived omega - 3 fatty acids, specialty natural products, bio-nutrients and functional supplements for human and animal care markets. Natunola Health Inc. also produces natural ingredients for the cosmetic and personal care industry.
